*For our sports Day to run smoothly and on time, **Parent helpers** will be required for sprints (judges and place getters) and all field events (recorders, measurers/spikers). Please note that this help can be given whilst your child is doing a particular event. This means that parent helpers will not need to stay at one particular event throughout the day.*

**WE NEED
YOUR
SUPPORT**

Please note these times are approximate times only and will depend on completion of previous events.
