## Our Vision

Gowrie P&C 2021, fostering and celebrating  
the Gowrie identity and future

### Goals

Communicate, promote & engage community interaction

Plan & action a successful transition of OSHC service to Community Hub

Support, value & enhance GSS strategy, growth, staff & students

A diverse use of Community Hub within the community

Consider future direction of P&C both within the school & community with stakeholders

Conduct one key event per semester to bring community together

P&C Executive representatives meet with the student leadership team once per semester to discuss partnerships

Community Hub liaison group formed to oversee the facility along with its usage & services

Transition the OSHC service into the Community Hub to be ready for operations by Semester 2 2021

Engage with families through community gatherings who have previously not engaged with the P&C in a mutually beneficial way

Communicate the purpose, and celebrate the successes, of each community event through the school newsletter, Facebook, school assemblies & other external media pre & post event

Optimise & enhance the school's capability by value adding/offering input to a school programme, policy or activity once a semester

Form partnerships with community and services to engage in activities to utilise the community hub

Promote to community the need to engage more and be apart of a new future direction – 2 planning sessions in 2021

Identify suitable future executive members & offer the support & awareness of the roles

P&C Executive representatives meet with the Principal & relevant staff once per term to enhance and support our working relationships
